

PC 2 term projects of Q1/2016 (January 4 – March 10, 2016):

For the PC 2 Project, students are assigned a country in ASEAN, and work in pairs to write, produce, and present two news videos. Each video is about 6 minutes long and covers current topics in their ASEAN country.

Objectives/Aims:

1. Encourage students to become autonomous self-directed learners
2. Promote awareness of current events in the ASEAN economic community
3. Develop the critical thinking skills needed to be a successful university student
4. Improve writing skills using real-world examples
