

How to Activate Your MU Student Internet Account

The Mahidol Internet account will be used for the following:

1. Log in to the internet on the Mahidol University campuses.
2. Access e-resources such as e-books and e-journals (See: [Off-campus access guideline](#))

Follow the instructions to activate your account

1. Go to the website <https://myinternet.mahidol.ac.th/> and then choose “For Student”

2. Choose “Account Activation”

3. Enter your information according to the following details,

- **Student ID:** Enter “u” and “*your first 6 digits of your PC student ID*” (see the example below).
 - u672xxx (a format of your username for your MU internet account)
- **Citizen ID/Passport No.:** Your Citizen ID or Passport Number
- **Birthdate:** Date / Month / Year
- **Alternate e-mail address:** (example: xxxxxx@hotmail.com, xxxxxx@gmail.com)
- **Mobile Phone:** 0XX-XXX-XXXX
- **Password:** Create your password *using 8-10 characters with a mix of letters and numbers. No symbols are allowed.*
- **Confirm password:** Re-enter your password.
- **Click in the box** “ I agree with the terms and conditions”
- **Click** “[Submit](#)”

The screenshot shows the 'Account Activation' page for Mahidol University. The page has a blue header with the university's logo and name in Thai and English. Below the header is a navigation bar with 'Home', 'For Student', and 'Account Activation' (the current page). The form contains the following fields:

- Student ID:** A text input field containing 'u6290021'.
- Citizen ID / Passport No:** A text input field containing '3xxxxxxxxxxxx'.
- Birthdate:** Three dropdown menus for day (1), month (January), and year (1960).
- Alternate e-mail address:** A text input field containing 'me@somewhere.com'.
- Mobile Phone:** An empty text input field.
- Password:** A text input field with a placeholder 'A-Z, a-z, 0-9 ขนาด 7-15 ตัวอักษรเท่านั้น'.
- Confirm password:** An empty text input field.

Below the password fields, there is a link 'Click here to read terms and conditions.' and a checkbox 'I agree with this terms and conditions.' which is currently unchecked. A blue 'Submit' button is located at the bottom of the form. At the very bottom of the page, there is a footer: 'Division of Information Technology, Office of President, Mahidol University'.

4. After clicking submit, the system will generate a username for you to use for MU Internet & WIFI (u672xxx) and an MU e-mail address (firstname.sur@student.mahidol.ac.th)

**Please note that this email address will be used to receive any important information and extra services from Mahidol University, but it will not be used for PC classes.*

The screenshot shows the Mahidol University website's account activation page. At the top left is the university logo and name in Thai and English. A navigation bar contains 'Home', 'For Student', and 'Account Activation'. The main content area states: 'Your Internet account and e-mail address are successfully activated. Please remember the following information :'. It lists: 'Internet Account or Username is uXXXXXXX', 'E-mail address is firstname.sur@student.mahidol.ac.th', and 'Password for accessing Internet and student webmail is the same as your current password.' It also provides a link to the student webmail inbox: 'You can log in to your inbox via student webmail at <https://login.microsoftonline.com/> after activated 1 hr.' At the bottom, contact information for the Division of Information Technology is provided.

5. Connect to the “MU- Wifi” or “IC-Wifi” network with your username (u672xxx) and password when you are on campus.

UPDATED!

All students can also reach another MUIC internet service through **@MUICwifi** during studying at **MUIC buildings**, by following the details below.

1. Choose the wifi access name: **@MUIC wifi**
2. To log into the wifi, enter the following details
Username: **u6xxxxx (Begin with u and 6 digits of your ID student at PC)**
Password: **enter the same password as your default PC online password**

The internet connection of **@MUICwifi** covers the areas of MUIC buildings 1, 2, 3 where the PC & MP classrooms are located, and the Aditayathorn building. Other parts of Mahidol University need MU Internet access to enable the internet connection.
