Q & A

1

Benefits of PC

What PC provides to students:

- ✓ A clear pathway to MUIC
- ✓ Improved English and mathematics skills
- ✓ Highly-qualified, experienced international teachers
- ✓ Preparation for success at MUIC and in the real world

- ✓ Project-based learning experience
- ✓ Increased digital literacy
- ✓ Awareness of global issues
- ✓ Critical thinking and analytical skills
- ✓ Real-world campus experience
- ✓ Opportunities for friendships that last

2

Keys to Success

Responsibility

- ▶ Take ownership of your education – imagine yourself improving greatly!
- ▶ Communicate in English often. Practice mathematics often. Don't worry too much about making mistakes.
- ▶ Use devices to learn, *not* as distractions.
- ▶ Complete homework and follow up on lessons.
- ▶ Come to every class ready to learn!

Consistent Effort

- ▶ Participate actively – teachers like questions!
- ▶ Frequently study and practice on your own by using the self-access resources.
- ▶ Take notes constantly! Write down key information during classes without being asked to.
- ▶ Give effort through the whole term, not just before exams.

Academic Skills

- ▶ Learn effective note-taking and study strategies.
- ▶ Give credit to sources of information.
- ▶ Analyse sources and information *before* you use them.
- ▶ Work productively with a partner and in groups.
- ▶ Discuss and write using academic vocabulary.
- ▶ Keep up with important global affairs.

Digital Literacy

- ▶ Learn the functions of **Google Classroom** and **Google Drive**, especially *Docs*, *Slides*, and *Forms*.
- ▶ Use AI appropriately to help you improve your skills in English and mathematics.
- ▶ Bookmark and organize online resources.
- ▶ Evaluate website credibility.
- ▶ Improve your typing speed and accuracy.

Reading Habits

- ▶ Read for fun, knowledge, and interests.
- ▶ Read articles instead of watching videos.
- ▶ Read in English *and* in your first language.
- ▶ Borrow books from the MUIC and PC libraries.
- ▶ Use online reading resources for extra practice.

Parental Involvement

- ▶ Keep your parents up-to-date on your courses and your progress.
- ▶ Ask your parents for help when you need it.
- ▶ Talk to your parents about challenges *and* successes.
- ▶ Always work hard to make your parents proud!

Addressing Concerns: Student Attendance

WHY

- Crucial for academic success
- Impact a student's learning and overall progress

WHEN

- 10% absences
- Almost 20% absences

HOW

- Working together with parents is the key
- Encouraging and supporting children's attendance
- Discuss their child's attendance

**Let's work together
to help our students succeed academically**

FAQs

EP students

Math courses for EP students are not MP courses. The EP math courses are called:

- *Elementary Math*
- *Foundation Math*

Some students may have to study Math while studying English at PC, depending on their major's requirements.

MP students

- MP students cannot change their major while studying at PC. If they wish to change their major, they have to re-apply for the MUIC Entrance Exam.
- MP students need to bring some notebooks and pens/pencils, or a tablet for classes. A laptop is optional.

PC XP: 5-week course

- ★ **Explore** new academic and English skills.
- ★ **Experience** an international environment.
- ★ Learn from our **experts**.
